

# **I Thank You**

You gave me all You had to give  
And I thank You  
You gave me all I have and all that I am  
And I thank You, I thank You

For all that You were  
For all that You are  
For all that You're going to be  
Because all that You were  
And all that You are  
Is all that I long to be  
And I thank You

You prepare a room for me  
And I thank You  
You set a place at Your feast for me  
And I thank You, I thank You
